

## SPONSORSHIP PACKAGE

# European Biomethane Trading Conference 2026

Organized by ERGAR – European Renewable Gas Registry

## Time & Place

ERGAR is pleased to announce that the **European Biomethane Trading Conference 2026** will take place on **April 21st**, in Amsterdam, Netherlands, at the **Crowne Plaza Hotel**. This new European-level conference will bring together policymakers, regulators, producers, traders, and market participants to discuss biomethane trading, certification, and the integration of renewable gases in Europe's energy markets.

## Event Overview

The event will focus on:

- The growth and harmonization of biomethane trading markets
- Guarantees of origin and cross-border certification
- Market development and regulatory frameworks
- The role of biomethane in Europe's decarbonization strategy

## Your Audience

Participants will include:

- Biomethane and renewable gas producers
- Energy traders and suppliers
- Market operators and registries
- Industrial gas consumers and utilities

## Promotional Opportunities

As a sponsor, your organization will gain broad visibility before, during, and after the event, connecting with professionals from across Europe's biomethane and renewable gas sectors.

Promotion channels include:

- The ERGAR website and dedicated event webpage
- Mentions in ERGAR newsletters
- LinkedIn and other social media posts
- Inclusion on event banners and printed brochures
- Recognition during conference sessions and networking activities
