European Biomethane Trading Conference 2027

Organized by ERGAR – European Renewable Gas Registry

Time & Place

ERGaR is pleased to announce that the European Biomethane Trading Conference 2027 will take place on **15 April 2027** at the **Mövenpick Hotel** in **Amsterdam**.

Following the strong interest in the inaugural edition, the 2027 conference will return in an expanded format, with capacity for up to 350 participants and a broader programme designed to reflect the growing needs of the European biomethane market.

Event Overview

The event will focus on:

- The growth and harmonization of biomethane trading markets
- Guarantees of origin and cross-border certification
- Market development and regulatory frameworks
- The role of biomethane in Europe's decarbonization strategy

Your Audience

Participants will include:

- Biomethane and renewable gas producers
- Energy traders and suppliers
- Market operators and registries
- Industrial off-takers, gas consumers and utilities
- Registries and market operators
- Policymakers and regulators
- Other organisations active in the European biomethane value chain

Promotional Opportunities

The European Biomethane Trading Conference brings together stakeholders involved in the production, trading, certification and use of biomethane across Europe.

The expanded 2027 edition will welcome up to 350 participants and provide additional networking areas, parallel conference sessions and dedicated meeting rooms for sponsors.

As a sponsor, your organisation will gain visibility before and during the conference while connecting with participants from across the European biomethane market.

Promotion channels include:

- The ERGAR website and dedicated event webpage
- Mentions in ERGAR newsletters
- LinkedIn and other social media posts
- Inclusion on event banners and printed brochures
- Recognition during conference sessions and networking activities
